EDITORIAL

We just couldn't resist bringing you some serious hotties to fire up the kindling this August. With the likes of Jada, Priya and Sabrina to tug the rod over, we reckon you won't have time for all those summer BBQ's you've been planning. You know the ones where you awkwardly end up inviting your boss, who then precedes to get totally trolled, strip off and dance around the kiddies paddling pool half naked. Why put yourself through that? When you could be eyeing up Tommi Jo, with a beer in one hand and your manhood in the other. There are some things in life you're meant to do, and some things you're never supposed to bear witness too. Use your loaf!

Dear Club,

As a 20-something female who was getting rather tired of London life, I finally decided to take a holiday last month. I was trying to get a rather troublesome man out of my head and had decided that several thousand miles and about 30 degrees was what I needed to relax and sort my shit out.

And so, after a rather abrupt and last minute booking, I found myself sunbathing in what I thought was a deserted beach spot in the Dominican Republic. I had gone on my own, so I was all the more free to pick up totty. Not that I was thinking about that, of course – I was concentrating on getting my suntan, but it's just when you don't expect anything to happen that something drops into your lap. Literally.

I sat up with a start as something freezing cold hit my thighs, shattering my reverie. Looking down, I saw a lemon-coloured splot on my legs. "I so sorry," lilted a heavy accent as I sat up with a start, "you like ice-cream?"

"Yes, but in my mouth rather than on my legs!" I replied.

"No problem," said the ice-cream man, scooping some of the creamy substance off my leg with two fingers and holding them just before my mouth for me to suck. My emotions quickly scanned through embarrassed and affronted, then my eyes

fell on his six-pack, and I settled on horny. I licked the ice-cream off his fingers with a demure upwards glance – as demure as one can be with ice-cream on one's nose.

"Tasty," the ice-cream man said, putting down his tray. "Me, too?" I scooped the yellow goo onto my fingers and put them to his mouth. An enormously long tongue snaked out and licked rather more of my fingers than was necessary, before grinning gleefully and diving in to kiss my lips.

I sucked up the ice-cream man's long tongue enthusiastically, enjoying the feel of his stubbled chin grazing against mine as he pushed me back onto my wooden sun lounger, his hands running over my body. The ice-cream man freed my generous breasts from their bikini top and rolled the nipples between his index finger and thumb. I hooked my legs around his torso, drawing him closer towards me in a moment of sluttish abandon.

So what if I couldn't see his face properly because the sun was shining in my eyes? At that precise moment, I had a fat cockhead pressing against my pussy lips through the thin material of my bikini bottoms, a sensation that I hadn't felt for many months. He could've looked like Gonzo for all I cared!

Without further ado, the ice-cream man

took his cock out of his trunks and rubbed it in the smear of ice-cream on my thigh. I doubled over, hunching forward to slurp at his purple cock-head, a froth of ice-cream forming on my upper lip. The salty taste of his meat mixed with the sweetness of the ice-cream. I took his balls in my hand; they were tight and tense and rotating like crazy in his little nutsack. He kept on thrusting his cock towards my face in a way that made it impossible to manage, sometimes he plunged down my throat, sometimes it slid over my cheeks, and all his movements were accompanied by little grunts that made me laugh.

Wanting to make full use of that wildly thrusting cock, I pushed the ice-cream man off me and onto the shady sand beneath my beach umbrella. In the scramble onto the floor, the ice-cream man had pulled my bikini bottoms aside. My lips puffed out from one side, a droplet of juice forming at the tip of my pubic hairs as I hovered above his cock. Before I had the chance to think any further, the ice-cream man had wriggled his hips so that his cock was pushing up in between my vulva. Our eyes met – swarthy good looks beamed at me before he thrust his pelvis sharply upwards, pushing the first inch of his

cock deep inside me so suddenly that I actually gasped out loud.

This fella was beyond cheeky, but I just sank down on his length, relishing every one of its six inches. I reached the root, my pussy pulsating as I placed my hands either side of his head and rocked back and forth, shifting my weight from my hands to my knees. His length slid up and down inside my muscular snatch as exotic sounding words I couldn't begin to understand dripped from his lips. My clit brushed against his pubic mound as I ground back and forth, keeping it nice and deep with experimental forays up to the tip. Appreciative murmurs greeted my movements as my pelvis writhed, the ice-cream man gently pushing me upwards so I no longer clung to him and was sitting atop him, riding proper. I ditched my bikini top and let my tits swing free, my hair all over the place as I bounced up and down on top of him, my cunt contracting on his tool.

My tits were kind of sore from all the jiggling, but it was a nice ache, and there was a distant rumble of orgasm as the ice-cream man started nudging at my knees. I gathered that he wanted me to get on my feet into a squat. I carefully got myself into position without his cock sliding out of me. My thighs were burning as I slid up and down his greasy pole, but it made my orgasm feel all the nearer. The ice-cream man looked well horny, all sweaty and with that gritted 'just-about-to-cum' face. I felt my pussy flood with warmth before I spasmed all over his prick, my cunt contracting with pleasure. I actually felt the stiff dick inside me pulse as it released spurts of cum, little liquid jolts that were in time with my own jerks.

"Can I have a flake with that?" I asked as we uncoiled, and received a somewhat baffled expression in response.

PRIYA ♣

Priya, one-half of the Irish/Indian P&P twin duo, is happy to joke when I reference Arnie and DeVito, asking which she'd prefer to be?

"Definitely Arnie, look at the guns on him!"

I think most of us would choose the big man himself, just to know how it feels to be able to flatten someone without repercussions. However, Priya is far too enticing for us to dwell long on this point, and quickly the topic turns to her naughty nature and fondness of Daiquiris. So will that be one cocktail or two? ♣

Grimsby

DVD £9.99, Blu-ray £12.99

Is that Ali G in the house? No, not quite. It's Nobby in a small town with nine children and a sex hungry wife whose 'lips are always open'. Sacha Baron Cohen returns with his latest parody Grimsby, starring as Nobby the football obsessed, kebab eating lad, who spends most his time down the pub with a firework up his arse.

Well, that's one side of the plot, the other half of is spent on a mission to help Nobby's long lost brother Sebastian, (Mark Strong) an MI6 agent. The pair get entangled in a sinister conspiracy and are left to save the world. However, it's not exactly the American Spy comedy you're hoping for, Mr Bean will keep you more engaged. The plot is all over the place, and the jokes are simply outrageous, cringe-worthy springs to mind, but that's Cohen after all.

Directed by Louis Leterrier, there's of course, an infinite amount of action; from explosions to shootouts, but the comedy itself is just unimaginative and too predictable. Leterrier had better stick to crime thrillers. The only saving grace is Nobby's girlfriend played by Rebel Wilson, who's hilarious as always and makes the best of a very trying role. As long as you don't critique this film, it could be mind numbingly enjoyable, but the reality is Nobby's a bit of a flop.

Upstart Crow – BBC Production

DVD £14.99

It's not often that you come across a historical comedy that's well researched in the Elizabethan domestic life and work of Shakespeare, but also side-ticklingly funny. But, here we are, with a new sitcom written by Ben Elton, whose return to the fold is brave indeed after writing the near perfect Blackadder. It turns out it was a risk worth taking, as the opening credits emanate the comedy to come.

We open with Will (David Mitchell) coercing his daughter Susanna played by the superb Helen Monks (Raised by Wolves) into reading Juliet's lines, instantly there's a smattering of 'Oh my god' mixed up with ye olde English. With a fantastic punchline about a cat in the opening scene, you won't be short-changed by your TV licence.

Anomalisa

DVD £12.99, Blu-ray £14.99

Hauntingly human and a pure pleasure to watch, which is ironic as it hasn't got a single human in it. Directors Duke Johnson and Charlie Kaufman throw us to the wolves in the eerily life-like puppet animation Anomalisa, which strikes fire with subjects of loneliness, depression and self-doubt. David Thewlis voices Michael Stone, a motivational speaker who's made a name for himself, writing books on customer service, but Michael is far from a charismatic creature, in fact, he's downright bleak at times.

Tom Noonan manages terrifically, voicing every other character from the hotel manager to Michael's wife, bar Lisa, who is voiced by Jennifer Jason Leigh. Another film from Kaufman (Being John Malkovich) with a surreal edge rooted in the anxieties of human

Beer Belt

Since we were small, we've all had dreams of unleashing a storm of bullets from a revolver, that seconds previously had been holstered at our side, like all the great spaghetti westerns. Now your dreams can come true, but being peace loving folk here at Club are bullets are beer! Here's the ultimate man contraption, the cameo Beer Belt, never again will you have to queue up at the beer tent during your favourite festival act, missing the one song you'd paid an obscene amount of money to hear, as this holster belt holds an entire six pack of cans or bottles. So your next beer and your mates (if you're feeling generous), is always at your fingertips.

BioLite

Camping Stove

Firebox.com

There's been a lot of publicity surrounding the BioLite Camping Stove, with its green credentials. So how does it work exactly? Well, a thermoelectric generator captures the energy produced by the flames, which powers a fan, drawing in more air and improving combustion. Efficiently boiling water and cooking burgers on various bits of foraged twigs and pinecones, so no more cumbersome gas canisters. Oh, and it charges your phone too! But on test the stove consumed our little heaps of foraged bracken like a child eating Maltesers, needing constant feeding and emptying, which proved irritating when cooking. But if it's a quick cuppa you're after then this stove is a fast boiler.

Cash Stash Keychain

You may have noticed there's a bit of a festival/camping theme going on in the gadget section this month, as we thought it best to share some of our go-to gadgets when we're off acting deranged in a muddy field, with the rest of the great unwashed for three days. So here's the cash stash Keychain, which has been specifically designed to store your emergency funds safely in a small stainless steel capsule. All you have to do is unscrew the top and pop your dollar bills around the internal clip and hey presto; you have a secret reserve that should somebody with sticky fingers relieve you of your wallet (which occurs often), your back up's right to hand. Magic!

CLOVER 

Over and over, we're all over Clover, as the American beauty teaches us a thing or two about wild water swimming. "I love being outdoors and have recently discovered wild swimming in a lake near my home." Aren't you afraid there might be something living in the lake? "There's definitely some lively looking cocks that happen to be passing when I get out." We bet there are, and now we shall join their ranks equipped with binoculars!♣

Posh Girls

Private

Starring: Aida Sweet, Ella Hughes, Emma Leigh, Lexi Lowe, Sharon Lee and Sensual Jane

Synopsis: "When Private's Posh Girls Emma Leigh, Ella Hughes, Aida Sweet

aren't out spending money, you can bet they are on the prowl for working class cock. These Daddy's girls have expensive taste, but they would swap all the champagne and caviar in the world for a big dose of cum. Whether it's a lesbian threeway with Lexi Lowe and Sensual Jane or an Asian solo with Sharon Lee, one thing is for sure; posh prestigious pussy is going to get ploughed, hard! These upper-class hunnies are used to getting what they want and can you wonder why? With big tits, open throats and firm asses, would you really say no?"

Courtesy of Private

Verdict: Gazzman brings these privileged young ladies a dose of finishing school as these hotties show us that after shopping the delights of a hard cock are a welcome distraction.

It all kicks off with a hot lesbian three-way between Lexi Lowe, the maid Sensual Jane, and the hotel bellboy whose balls these posh sluts ring dry. Pussy play and

big natural tits are on offer in this scene as the hotel staff make sure their guest is well attended too.

Topping off this upper-crust orgy is Ella Hughes, whose hillside picnic soon turns into a fuck fest when she spies a local gardener. Golly, and he's quick to open up the delights of Ella's picnic basket, while she munches his gherkin and scotch eggs. These posh girls know how to play.

Sexbots: Programmed for Pleasure and Confidence

Digital Playground

Starring: Asa Akira, Stormy Daniels, Jessica Drake, Eric Jon, Steve Holmes, Ramon Nomar, Dirk Hoge, Tommy Gunn, Eric Masterson, Jovan Jordon, Marco Banderas and Brad Strong.

Synopsis: "Award winning director Brad Armstrong looks into the future where scientists have created the Ultimate Sexual Companion, and after a decade of work they've achieved perfection. But the day before the Asa Doll (Asa Akira) is set to be unveiled to the world, she malfunctions and fucks the lead scientist to death. The lab goes into lockdown and Asa comes face to face with eight security technicians. Before they know what hit them, Asa is fucking them into submission in the biggest

gangbang of her career, and it's absolutely incredible! But the action doesn't stop there. Next, she comes across two other Sexbots (Jessica Drake and Stormy Daniels) and activates them for an incredible "interface" session. It's the first time these three superstars have been on camera together, and it will go down in porn history. Get ready for an action-packed sci-fi erotic adventure into the future of sexual gratification!"

Courtesy of Wicked Pictures

Verdict: We've all dreamt of creating our own version of the 1985 blockbuster 'Weird Science' with Kelly LeBrock popping out of the bathroom...but so far our attempts have

failed, and at worst ended in explosions. Which, is where Brad Armstrong directing for Wicked Pictures steps in to save the day, with an updated and strictly adult version of our favourite fantasies. Sexbot Asa Doll just can't get enough as she goes into overdrive and malfunctions, but with robotic sweet talk on the menu and a shutdown override off, it looks like the science bods have their work cut out. The three-way lesbian sexbot scene with Jessica Drake and Stormy Daniels is the stuff of legends, making this showcase a must see!

Sabrina's cast more than a spell on us the sexy little minx, as she practically purrs at us from the sofa where she is currently posing for the camera. The display before us is exceptional and transgresses even the most inventive imagination, basically Sabrina's top-draw with knobs on! TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

My wife and I have been married now for three years, and we keep our marriage fresh by keeping the sex both hot and adventurous. Pamela is tall, good looking and bisexual. We agreed before our wedding that, as long as everything was upfront and open, we could have sex with as many other partners as we wanted.

Truth be told: I have a strong voyeuristic streak and love watching Pamela getting it on with another woman, or getting banged by a couple of well-hung blokes at a time. I also like to dip my wick between a pair of fresh fanny flaps when the opportunity arises.

Swinging was a natural step for us to take. The first time we tried it was at a friend's house. We had been invited to attend a party given by John – a work mate of mine. I knew he was into swapping because we'd talked about it many times during our lunch breaks.

When we arrived at his house, we were introduced to his wife Ellen and another couple, May and Ivan. May was about 32-years-old with tousled curly blonde hair and big tits, and her husband Ivan was handsome and well built.

We sat around chatting and drinking for

about two hours when I noticed that my wife had become a little tipsy. Ivan, who had been watching her like a hawk, got up and asked my wife if she would like to see the rest of the house. Pauline looked at me inquiringly, and I smiled as I nodded my consent. John winked at me and asked if I knew that Ivan was going to try to fuck my lovely wife.

"I'm cool with that," I said, grinning broadly. Picturing Pauline having her knickers stripped off made my balls tingle, and penis harden. The rest of us continued to drink and tell stories as May moved along the sofa and asked me if I wanted to see her tits. Did I fuck! I helped her pull her sweater off and was pleased to find that she was wearing no bra. Her tits were huge, shapely wobbling wonders and I had to hold them steady with both hands before I could latch my lips around a nipple. As I sucked on it, her hand ran up my thigh and began to

massage my cock through the material of my jeans.

I shifted my arse in the seat so that she could open my belt and unzip me. Her hand reached inside my flies, and she pulled my cock out. It stood proud and erect, my helmet was purple and already glazed with my pre-cum. Sighing aloud with pleasure as she saw how ready I was for her, May began to pump my cock in her fist. I leant back, allowing her tits to swing loose once again as I relaxed and let this sexy slut wank my pole.

Meanwhile, John and his wife fondled one another as they sat and watched the action, plainly savouring the smallest detail of May and I's steamy adulterous tryst.

May licked her lips salaciously, then dropped her head and sucked my length into her mouth. Her lips clamped wetly around my gloriously aching shaft and, as she flicked her tongue across my pulsing helmet, my balls tightened, and I knew that I was near to cumming off.

Her blonde curls bounced as she

bobbed her head up and down, working my knob. May reached inside my boxers with one hand and cupped my balls, while holding the base of my prick tightly. She sucked me further inside and began to go at me with even more vigour, and I became lost in the delightful sensations. Unable to hold off an instant longer, I groaned and shot my load in her still-sucking mouth.

May left me then and went over to John and his wife Ellen. As I sat back recovering from having my sac drained so thoroughly, I sipped my drink and watched the threesome.

“ Her juices pooled around the base of his cock as she came...”

May had John's cock up her arse while he ate out his wife Ellen's pussy.

It must have been about a half-hour later when all three had climaxed at least once, that I wondered what my wife was up to. I got up to try all the bedrooms. When I opened the second bedroom door, I found her naked – bouncing up and down as she rode Ivan's cock. Her cheeks were flushed, and her eyes were sparkling.

With her body tilted back, she moaned as Ivan pulled her nipples taut. Pam loves to have her nips tugged and twisted and often orgasms when her tits are being stimulated, and Ivan knew how to please her.

Pamela noticed I was looking, smirked and asked breathlessly if I was enjoying myself. I nodded, unable to take my eyes off them and asked if it was okay if I stayed. Ivan nodded and pulled harder on Pamela's nips, making her cum off. Her juices pooled around the base of his cock as she came, her body jerking with each vaginal contraction. Having ejaculated only about 50 minutes earlier, I was surprised – and delighted – to feel my pizzle begin to stir once more.

He waited for her to come down from her orgasms before lifting her off of his cock and turning her on her back.

Wiping the sweat from his eyes, he stuffed her in the box with his tool and began to screw her again – good and hard. He rode the sexy bitch for all he was worth, holding still every time she approached climax, teasing her until she was begging him for release.

Hearing my wife pleading for him to give her an orgasm made me feel hornier than ever, and my hand dropped to my hardening member.

“Unable to hold off an instant longer, I groaned and shot my load in her still-sucking mouth.”

My wife was almost weeping with frustration before Ivan finally gave in. Pulling his cock back until only the head was left inside her, he jerked forward suddenly and filled her aching gash with his meat, making her wail as she came again and again. I almost yanked my lad off on the spot as she repeatedly moaned his name aloud.

But Ivan's performance was far from over. He kept right on fucking my wife as fast as he could, not even allowing her time for her last climax to peak but riding her through it. She drummed her heels on the mattress and bucked beneath him, yelling and cursing like a fishwife as he pounded her pussy. The noise had brought the others upstairs to see what was going on, and the small bedroom was suddenly full of naked bodies all

watching my wife get her hole.

The atmosphere was electric – all eyes were glued on the copulating couple, each of us wanking or frigging as we watched Pamela's twat getting seriously pulverised. Ivan's weapon hammered on relentlessly, tenderising her pussy and giving her more orgasms that I had thought was humanly possible. Pam's back arched like a bow and her hips soared up to meet his downward thrust, and each time he plugged her slot she squirted out copious amounts of her lady fluid.

Meantime, Ellen began to get busy with May's tits. Their lips met and they French kissed, almost swallowing one another's tongues. It was tremendously erotic, and I was hard pressed not to loose my second load... but my attention was drawn back to Pamela and Ivan when I heard my wife whimper. I marvelled at Ivan's stamina as he withdrew and repositioned her on all fours.

Pamela's fanny was red and gaping from where Ivan's massive tool had stretched it wide. She was glancing over her shoulder at him, begging him to cum inside her and fill her aching box.

Gripping her hips, Ivan insolently turned to the audience and announced that he would empty his load inside my wife while she sucked off their host. Well – by this time I had no objection to anything anyone did! So John duly stepped forward. As he positioned himself in front of Pamela, he invited me to take his wife's pussy while she ate out May's gash before me.

I had not noticed most of the lesbian goings-on at my feet, as my attention had been squarely focused on my wife. Ellen's arse was cocked delightfully towards me as she knelt on the floor with her head in May's snatch. My penis was already hard and throbbing so this was a welcome invitation. As I moved in behind Ellen and held her hips steady, I watched Pamela obediently open her mouth and take John's entire length into her mouth. This alone was the stuff of dreams! When he came off and she tried to swallow his spunk as Ivan continued to bang her. Oh man, it was indescribable!

Meantime, I pressed my knob against Ellen's soaking opening, and as I watched my wife being sandwiched between two men from the corner of my eye, I plunged my cock inside John's wife's eager cunt.

Within moments, the two girls, who were already writhing in Sapphic pleasure, had an additional source of stimulation.

Although I could never measure up to Ivan's prowess I still made a bloody good job of fucking Ellen, and she was screaming with pleasure when I finally withdrew my cock and loosed my load across the gloriously rosy cheeks of her perspiring buttocks.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

TWIN GLOBES

I'm most definitely a bottom man. For me, there is no greater sexual pleasure than to fondle and stroke the soft, rounded cheeks of a well-proportioned woman's arse. My latest girlfriend, Tara, is blessed with an especially fine specimen on her reverse. Although it is not especially large, her arse is well rounded, and it wobbles in a tremendously enticing manner when she walks. We met on the street about six months ago. She was walking ahead of me wearing a pair of cripplingly tight jeans, which showcased her enchanting rump to perfection.

As soon as I saw her, I realised that I would have to make an attempt to pick her up. On an impulse, I picked up a bunch of flowers, paid, and ran to catch up with her. My heart was thumping when I presented her with the flowers, fearing rejection. She took them graciously, however, and allowed me to walk with her as she made her way to the hairdressers where she worked. I flattered her and flirted with her shamelessly, and when I asked her out that evening, she accepted, and we arranged to meet up at a Chinese restaurant.

During the meal, she was playful, entertaining, and quite the little tease. Her

hand rested lightly on my thigh more than once, and when she stood up to go to the toilets, I lightly fondled her arse, and she did not move away immediately.

She had arrived in a taxi, so I offered to drive her home. When we stopped at the traffic lights, she leant over and kissed me, her tongue darting into my mouth. She kissed with passion, and when I reached up and took one of her tits in my hand, she moaned in my mouth and broke the kiss to open my zip.

Pulling out my cock, her mouth descended upon it. When the lights turned green, I drove on, and I spotted a deserted car park and turned into it, drawing up in the shadows. Her tongue felt heavenly wrapped around my erection, and instinctively I reached over and pulled her dress up over her lovely arse.

My fingers kneaded her fleshy globes as she knelt on the passenger seat with her arse cocked in the air, her head bobbing on my cock. Her wide, plush arse cheeks were smooth and pink, but the small black G-string panties she was wearing detracted slightly from the picture, so I gathered one of the strings and wrapped it around my finger. In a moment, the little piece of cloth was in my hand.

She raised her head from my cock in surprise, and I pushed her back into her seat

and spread her thighs to view her pussy. It was smoothly shaven except for a small stripe of hair. My middle finger slid easily between the slick folds of her glistening labia.

Tara reached for the hem of her dress and pulled it over her head, telling me playfully that she was not going to wait for me to remove it after what I had done to her panties. With her back to the passenger door and her legs spread wide, I leant down and buried my face in her beautiful cunt, clutching a bum-cheek in each of my hands. She tasted sweet as I rammed my tongue up inside her. Her groans of pleasure told me this lady was hot, and I ventured lower, trailing my tongue down into her arse-crack and tonguing her rose.

The powerful muscles in her arse cheeks contracted in my hands as I worked between her clit and her puckered ring. Sobbing with arousal, she gently shoved me back and straddled my lap, grasping my pulsing shaft and holding it to her cunt.

Slowly, she lowered her pussy onto my rod, and I felt the petals part as I started to enter her. My cockhead split her lips, and she shivered on my lap, her pussy contracting. I pulled one plump breast to my mouth and

“Holding the flesh firmly together, I sawed my cock along the deep furrow.”

delicious bottom cheeks as my flaccid member slithered out of her pussy. Her head rested on my shoulder, and the weight of her lovely buttocks pressed against my thighs as her pussy leaked onto my lap.

Understandably enough, the following morning I simply could not get her out of my mind, and before lunchtime I called her at work and asked her to spend the night with me. At lunchtime, I slipped out and bought some satin bed linen and scented candles for the special evening I was planning.

She arrived just after eight with a bottle of red wine. I uncorked it and led her straight into the bedroom. The curtains were drawn, and the only lighting came from the scented candles, which I had arranged around the room. A bottle of perfumed massage oil stood on my bedside locker alongside several large white fluffy towels.

Tara was suitably impressed at my efforts to create a seductive atmosphere, and, without any preamble, helped me to undress. I stood naked, watching her undress – my

sucked a flint-hard nipple as I cupped her arse cheeks. Meantime, she lowered herself further on my rampant prick.

With her eyes closed and an expression of ecstasy on her face, she moved around on my erection, still lowering herself slowly. Having reached the bottom, she sighed and took a while to appreciate fully the pleasure of being stretched and filled by my meat. Then she raised herself a couple of inches and slid back down, my hands steadying her as my fingers dug into the soft fleshy spheres of her rather delectable rump.

Tara came off extraordinarily hard – her

nails digging deep into my shoulders.

She caught her breath as her orgasm ebbed and planted a soft, deep kiss to my mouth. I had not cum, and she squeezed her pussy, clamping her vaginal muscles tightly around my cock. I held her hips to drive my rod deeper into her pussy. Slamming her down hard onto my rock-like penis, I accelerated our motions. She held me tight, then tighter still, until, with one final jerk, I was filling her as I shot thick jets of my spunk inside her twitching twat.

My hands were still gripping her

“She tasted sweet as I rammed my tongue up inside her.”

cock already at attention. With her every little movement her luscious tits and mobile nates juddered enticingly. She was wearing a pretty silk and lace panties and bra set, and her buttocks looked so inviting encased in the full panty briefs. My hands roved over her soft curves, and I stroked her beautiful buttocks through the fragile silky fabric of her panties.

My hands sought her large breasts, and I cupped them in my hands, teasing her hardened nipples through the delicate lilac lace of her underwired bra. I sucked her nips, dampening the fabric of her brassiere as my lips worked on her teats. Tara tossed her head, sighing deeply. Then, wrapping her arms tightly around my neck, she pulled me with her towards the bed.

Shaking my head to indicate that I would dictate the pace, I lowered her panties and began kissing her mound. She was gasping and oooing as I tongued her slit. It wasn't really her pussy that I was interested in; it was – but of course – her beautiful, beautiful arse. So I turned her over and began to kiss the flawless skin on the soft slopes of her buttocks.

Tara loved this, and when I opened a bottle of jasmine oil and drizzled it over her back and down across her abundant arse flesh, she sighed with contentment. I massaged her back, relaxing her as I worked my way down to the fulsome flesh of her derriere. As I kneaded her nates, she raised her rump and attempted to push it back against my rampant penis.

I had spent all day preparing for this and I intended to do things my way, so I slapped my palm against her full cheek and told her to lie still. She giggled like a naughty child, wriggling her bottom defiantly and goading me to spank her more. I obliged, my palm splatting against her oily cheeks five more times, making her twin globes wobble deliciously as the snow-white surfaces gradually turned a pretty pink.

As a true bottom enthusiast, I pride myself on being able to deliver a proper erotic spanking, and this time was no different. My slaps were soft and evenly spaced, with each

one bringing Tara nearer to climax. I pistoned my index finger in and out of her dripping pussy as I swatted her rump, sinking my digit inside to the knuckle just as I delivered the final swat.

Tara came off like a wild thing, her pussy gripping my finger as her buttock muscles contracted with each rhythmic spasm of her clenching cunt. Having pleased Tara, I sought my own satisfaction, and, straddling her thighs, prised open her arse-crack, sliding my boner between her soft bum cheeks. Holding the flesh firmly together, I sawed my cock along the deep furrow, working up a rhythm as my body slid easily across the well-oiled surface of her welcoming buttocks.

Her cheeks were still warm from her spanking as I worked my penis between the soft pillows of her arse. With even strokes, I shafted the long crevice between her glorious fleshy globes, my cock gliding effortlessly as it became lubricated with the scented oil. It felt so perfect – and as my hands gripped her fleshy haunches and I began to cum off I rose up a little and splashed my copious load across her beautiful buttocks.

CUM AND GET IT!

There's women you want to take home to meet your mum and others you just want to throw down and fuck the arse off!

It's the same with texting... who needs flirting when you can get straight down to it...telling her exactly what you want to do to hear then hearing back from her that she's sitting with a moist pussy that's ready for your aching cock!

Don't waste any more time...text her now...

GIVE IT TO ME!

SOME FILTHY TEXT MESSAGES, I MEAN!

RIGHT this moment, all across the UK, cock-hungry women of all ages are sitting in their homes waiting for ordinary guys like you to reach out to them for filthy text sex!

Imagine her, one hand on her mobile and the other idly teasing her moist shaven pussy...

We've got 100s of ladies on our books...from 19 to 78 years old and they come (or should I say cum!) in all shapes, sizes and nationalities from all over the UK. The only thing they have in common is that they love cock and

they want to have mobile fun with horny, fun-lovin' guys like you.

If you've never tried sexting then you're in for a treat...and with our automated system it's never been easier. All you have to do is text the trigger word GIVE to the shortcode here and we'll do all the hard work of finding a woman who's looking for the same as you...

If you want a woman from your area or a specific type just add it to your first text message...it's so easy.

SATIN 

Satin's caress is sure to feel soft against the skin, ask anyone who experienced the 70's bedsheets fiasco, and lived to tell the tale! But I digress, so let us undress the Czech beauty before your eyes, well rather she will and your job is to melt into those chocolate brown eyes and lust after her splendid legs. Now that the roles are sorted, I shall let you appreciate Satin in all her glory. ♠

Hose for Bros

I always wanted ballerina Barbie!

Fans of the Rocky Horror Show will be familiar with some of Curtis Eidam going on. The 35-year-old was pulled over for what officer's thought would be a run of the mill DUI; this couldn't have been further from the truth. Apart from discovering a handgun in the centre compartment, Eidam was wearing red fishnet tights, a little skirt and a ribbon in his goatee when he was pulled. Eidam

was breathalysed and taken into custody, which is when they discovered something curious, Eidam was locked into a chastity belt. Luckily, police were able to retrieve the key from his companion and charged Eidam with driving under the influence and for possession of a handgun while intoxicated.

What A Meth

Everybody loves a bit of Mexican, from their sombreros to their tacos. Personally, my favorites the humble burrito filled chocker block with all sorts of Mexican goodness. However, I'm not sure I'd want to touch one of these...

Customs officers in Arizona arrested a woman after discovering a pound of meth, worth \$3000 wrapped up in what appeared to be burritos. Susy Laborin, 23, was trying to re-enter the U.S. via a pedestrian gate when she was stopped. Sniffer dogs took an interest in her food parcel, as did the officers who didn't find any guacamole that's for sure. Laborin has been charged with Narcotics procession and will be detained until trial.

Soot and seek

Santa's started early or is it a ghost? Brad Sapp was doing his rounds at the redemption centre he owns in Iowa; when he thought he heard a voice whisper, "Get out of here." Unable to trace the voice, Sapp though he was going crazy. After much teasing from his wife Carrie, she received a scare of her own when she heard someone yelling for help, from inside the centres chimney. The Couple called 911 and recuse workers were able to free a naked man from the Sapp's chimney. 29-year-old Jordan Kajewski maintains he was playing hide-and-seek when he became trapped. With no clue as to why he was naked, Kajewski was arrested on trespassing charges.
